

Edison Elementary School Fund

What: An endowment building campaign to benefit current and future Edison students.

Why? To build a permanent source of support for creative projects at Edison today and for many future generations of Edison students.

How? Parents and community members are encouraged to sign up for monthly recurring gifts via debit/credit card. Or, individuals can make a one-time gift online. Checks sent via mail are also accepted.

Each fall, half of the funds raised during the previous 12 months will be distributed to Edison Elementary to use for special programs and projects that are not able to be covered with the school budget. The remaining will build an endowment fund for future use. Once the principle portion passes the \$10,000 endowment mark, Edison will continue to receive 50% of annual contributions and roughly 5% of the endowment value each year.

Does this change the PTA? The Edison PTA supports this initiative and will promote the opportunity for parents to give to the Edison Elementary School endowment. The PTA will continue the same fundraising and community building activities.

Ready to Give? There are three ways to give (*links and forms available at AppletonEducationFoundation.org/SchoolFunds*):

1. Make a monthly recurring gift. JustGive.org administers monthly gifts for AEF.
2. Make a onetime gift online. The Community Foundation for the Fox Valley Region administers onetime online gifts for AEF.
3. Write a check and mail it the old-fashioned way. Complete the gift form (available for download online) and send with your check to:
Appleton Education Foundation
122 E College Ave, Ste. 1B
Appleton, WI 54911

Thank you for your support of the Edison Elementary School Fund.
