### Support The Marilyn Spieth Outdoor Classroom and Community Garden Fund!

Imagine an outdoor classroom environment that opens young minds to the natural world while creating opportunities for cross-generational learning. This is Einstein's Middle School's vision- to cultivate, refurbish, and rejuvenate the existing overgrown prairie and replace it with a self-reliant, collaborative outdoor amphitheater and garden. Completely wheelchair accessible, the garden will also be used by neighboring assisted living facilities, the neighboring elementary school and daycare, and the community at large.

The campaign goal is \$80,000. More than \$20,000 has been raised.
